

# PROSECCO DOC

FRIZZANTE  
SEMI-SPARKLING  
"SPAGO"

## Authentic and traditional

Prosecco, born as a still wine or in some cases as a very lightly sparkling wine, digs its roots deep in ancient times and has been able to preserve the flair of the Venetian traditions up to now. "Frizzanti" (semi-sparkling wines) are bottled at a lower pressure than fully sparkling wines. Traditionally, the bottle be sealed with a normal cork, secured with a string ("spago"). Maschio has proudly retrieved this old type of closure for its Prosecco DOC Frizzante, a wine that recalls the authentic and simple taste of the past.
